HOW THE NBL WORKS

The National Blackbelt League (NBL) is the only international sport karate league based upon a series of open tournaments that rank and qualify blackbelt (and some underbelt) level players to become the official sport karate world champions at the year-end championship at "Super Grands World Games". NBL rankings are free (no membership fee) to all players who attend and place in NBL divisions at NBL tournaments have divisions for all belt ranks however, and every NBL tournament is also sanctioned "AAA" with Sport Karate International (SKIL). (SKIL ranks both blackbelts and under blackbelts), so all belt ranks following SKIL can get the most points by competing in NBL tournaments. The NBL season is January 1 to September 30 and SKIL season is July 1 to June 30.

The NBL ensures true world championship status to players of the sport with a unique system of conterence competition leading up to the Super Grands (SG) to crown each year's world champions. Each NBL Regional Conference generally consists of tournaments within short driving distances and may have up to one (1) tournament per month during the season for a maximum of six (6) tournaments per conference per season. There are also National Conferences that consist of up to six (6) of the Regional Conferences fargest tournaments. These National Conferences are for individuals and teams that want a variety of competition by traveling longer distances to different areas, instead of just one regional area, and for those who want to earn a higher seeded (preferred) position for SG. The competition in each of the conferences is a points race within that conference that ranks competitors in our website by conference during the competitions season.

An NBL Conference Commissioner attends each conference tournament to represent the NBI evaluate the tournament.

An NBL Conference Commissioner attends each conference tournament to represent the NBL, evaluate the tournament and process the players' results. An NBL Rules Arbitrator also attends each tournament to conduct the rules meeting, direct the Center Referees and render all final decisions regarding rules of play and penalties according to Sport Karate Int'l Tournament Alliance (SKITA) rules of play.

As a player, your participation in the NBL will provide the best recognition at an affordable cost to achieve true sport karate world championship status. We hope to see you as part of NBL this season.

NBL HALL OF FAME AWARDS

- 1. SUPER GRANDS HALL OF FAME AWARDS The NBL Super Grands Hall of Fame (HOF) players' awards are determined by the most points obtained in SG competition by a player that competes as a blackbeit. Players receive 3 points for 1st place, 2 points for 2nd place, 1 point for 3rd. The awards categories include junior male and female competitor of the year (2), and team of the year and runner-up team of the year (2). An adult HOF can be won by either an adult (18+) player or a senior (35+ or 45+) player, but seniors will only have adult (18+) divisional placements used toward their total. However a senior's point total from their wins will have substituted any senior (35+ or 45+ divisional wins for any single equivalent adult division if their placement was higher in the senior division. The team award does not include points from team sparring, unless the sparring team was registered with their team name. If that is the case and if the team places in the top three (3) positions, then the team gets 3, 2 or 1 point toward its tally, depending upon the place it took. Ties are broken, first by 4th to 8th place wins, second by person with the most 1st places, 2nd places, etc. Winners' notifications and Hall of Fame plaques are sent by mail.

 2. EXECUTIVE HALL OF FAME AWARDS HOF awards for executives are chosen by the NBL executive office based upon dedication to the NBL. These awards may include: promoter, tournament, commissioner, arbitrator, official, woman, man, photo-journalist and conference of the year. They receive their award plaques at the Sport Karate International Banquet at the Super Grands.

WORLD'S TOP 25 SPORT KARATE SCHOOLS AWARDS

Based upon a schools' students wins at both the Super Grands World Games and Sport Karate Amateur Internationals, the top 25 sport karate schools are tabulated and announced every year. Each of the winning schools will receive an official letter from the Sport Karate International executive offices verifying their accomplishment. This letter can be submitted to various media in their area for exposure and due recognition. The point structure in determining the world's top 25 schools is as follows. Super Grands and Amateur Internationals: stylage-3 points, 2nd-2, 3rd -1. The school award tallies do not include points from team competition. Only students who are members of and train at a single school's location, and who legitimately indicate the school and one of the instructors at that school location on the front side of their players' card for Super Grands/Amateur Internationals registration will count toward that school's tally of points. The top schools will be sent a Hall of Fame plaque after the Super Grands. Different school locations cannot be combined together as one school for points or awards.
