

SKIL / NBL POINT CHART

A NOTE: Incorrect charts will be returned w/o any of the points on the chart calculated or added to your tally for any division. This could prevent you from being included in the final rankings if it is not returned or able to be returned back to us before the final deadline - So read these directions and follow them carefully. We will not be responsible for incorrect charts that are returned to you and not received back to us.

DIRECTIONS

- USE CURRENT CHART** - You must use the most current point chart as posted in our website. Log into www.nbiskil.com, click on SKIL logo, then on left click SKIL Point Chart for the correct year. Fill in point chart and follow directions at bottom to submit.
- COMPLETENESS / CORRECTNESS** - All information must be completely filled in and be correct.
- SKIL / NBL CHARTS SEPARATE** - SKIL & NBL points verification must be on separate charts & checked (✓) as SKIL or NBL in box "B" below.
- NOT RECEIVED** - SKIL/NBL is not responsible for point charts not received by email. To ensure that we receive your chart, look for a return email from us stating our receipt.
- NO PHONE VERIFICATIONS** - We cannot verify points, places taken at tournaments or receipt of charts over the phone. Any questioning of any players' points will be handled by written request only and must be received before September 10.
- POINT CHART COPIES** - Keep a copy of your point chart for reference and updating resubmissions.

HOW TO TABULATE YOUR SKIL POINTS

- MEMBERSHIP** - SKIL has no membership fee, SKIL rankings are free. The circuit season runs from July 1 to June 30 each year. Only use tournaments from the current SKIL season.
- TOURNAMENTS MUST BE SKIL SANCTIONED** - Each tournament you use for points must be in the tournament listings on the NBL/SKIL website as an SKIL sanctioned event for the season.
- SEPARATE POINTS FOR BLACKBELT AND UNDER BLACKBELT** - If you change rank from an UBB to a BB, do not combine points earned in both onto one chart. Tally each on a separate chart and indicate the appropriate SKIL rank division in box "B" below. NOTE: You can only compete as a BB or UBB in the SKIL Amateur divisions at the Super Grands however, not both.
- TURNING 18 OR 35** - If you are an UBB or BB following SKIL and are going to be turning 18 or 35 within a season (July 1-June 30) then you can compete at either the younger or older age (17 or 18, 34 or 35) for the entire season. Points must remain in whichever you compete in at each tournament.
- EACH SCORE FROM A DIFFERENT TOURNAMENT** - Within the same score box below (sparring, forms, weapons, self-defense), each score must have been from a different tournament. SKIL point sparring cannot be continuous sparring wins.
- TOP 8 SCORES MAXIMUM EACH SUBMISSION** - Fill in your top eight (or most you have) highest tournament scores in each box each time you submit a chart. All updated charts must include any previously submitted points. We will process only eight scores for each division and tabulate only the most recently received chart.
- SENIORS** - Seniors must submit separate point charts if they want to be ranked in both 35+ and 18+. No points from one divisional win at a tournament can be used for two rankings (18+ & 35+). Seniors can transfer points earned in 35+ women's sparring to 18+ sparring but cannot transfer 35+ men's sparring or 35+ men's forms or 35+ women's forms to any 18+ charts.

- Any 18+ points can be transferred to 35+ charts. Seniors must put their weapons and self defense totals onto their adult (18+) or senior (35+) point chart that has the highest forms and sparring total, so that they receive their highest possible overall point total.
- TOTALS** - Each box automatically totals points at the bottom and at 17.
- CHART DEADLINES** - You can submit charts any time but, you MUST submit a point chart by email by the following deadlines for us to update your points on our website. Players not submitting an updated point chart by any given deadline will have their previous points printed (if any). Players name will be printed without any points if we haven't received a point chart during the season. A chart must be emailed by **January 10, May 10 and the final chart by September 10**. Ten additional points will be added to the players totals in forms, weapons, sparring and self defense for both the January 10 and May 10 tabulations if we receive a point chart by each of those deadlines. Send only one chart per deadline if possible, not after each event you attend. Players submitting a point chart after September 10 will be charged \$50 for their point chart to be accepted. Point charts must be received by the Amateur Int'l's re-registration deadline to be accepted at all.
- ERRORS** - Any errors on our part in the final rankings will be changed for proper Amateur Internationals & State Games seeding. Errors on the player's part because of incorrect submission of charts, will not be changed without the penalty fee of \$50.

HOW TO VERIFY / CORRECT NBL POINTS

- MEMBERSHIP** - NBL has no membership fee, your rankings are free. The season is January 1 to September (October 30).
- THE TOURNAMENT MUST BE NBL SANCTIONED** - The tournament must be NBL sanctioned and in the tournament listings posted on the NBL/SKIL website.
- MARK CONFERENCE AND DIVISION NUMBER** - Clearly mark the NBL Conference and correct NBL division number at the bottom of each points box. You MUST use the correct NBL numbers.
- ONE DIVISION PER CHART** - You must submit a separate chart if you compete in multiple divisions within one event (ie, FORMS: if you competed in both musical and Korean forms. You cannot combine these points onto one chart. Submit separate charts.)
- ONE CONFERENCE PER CHART** - You must submit a separate chart for each conference. Do not combine points of two different conferences into one points box of the same chart.
- DIVISION TRANSFER** - Points that were earned in one division can only be transferred to another division if the tournament did not offer the specific division you want them transferred to and if the division you competed in was a combination of divisions including that division.
- WRONG WEIGHTS / AGES** : You cannot transfer points if you incorrectly competed at the wrong age or in the wrong weight class (except junior point and continuous sparring).
- CHART DEADLINES** - All charts for NBL point corrections and/or verification are accepted only after September 1 and must be postmarked by September 30 (or within 7 days after any October tournament).
- ERRORS** - Any player failing to verify or correct their NBL points by point chart by September 30 (or within 5 days after any October tournament) and then find an error in their points that they want corrected for Super Grands (SG) seeding will be charged \$25 to have each error corrected despite whose fault the error is. However, errors in other NBL people's points that affect that player will be corrected after the deadline without charge. Corrections to rankings for SG seeding made after the SG pre-registration deadline costs \$50 per correction & only made if the correction can still be verified no matter whose fault the error is.
